Spring 1 Week 4

Year 4 Tree Planting trip

On Wednesday year 4 went to learn about how they can reduce their carbon footprint by planting Hazel trees in the Hackney Marshes.

Year 5 Trip to the Natural History Museum

Last week Friday Year 5 went to the British Museum to explore Ancient Egypt.

During a very informative workshop, we found out that death and the afterlife to ancient Egyptians meant complex funeral preparations to ensure the transition of the individual from earthly existence to immortality.

We found out some really interesting facts.

“The brain was also removed, but not preserved, and the rest of the body was dried with natural salt, treated with oils and resins, and tightly wrapped in bandages.”

Year 5 and 6 Tag Rugby

Nine schools participated in this years PA games - Tag Rugby tournament. Each school had an opportunity to play three matches.

Gainsborough's 'B team' came out as winners (winning all three matches), while Gainsborough's 'A team' came in second place and the 'C team' in fourth place

Be Bright Week

On Monday we celebrated our 'Be Bright and Stay in Sight day' that our Year 3 Junior Road Safety Officers (JRSOs) are campaigning to improve children were encouraged to wear bright coloured outerwear and/or accessories. Check us out!

Consultation on a proposal for SEMH provision at Gainsborough Primary School

Our website link:

GOLDS!	
Year 1	Aston- For always remembering to bring in his Homework book and Log Book. He is making fantastic progress! Well done!
Year 2	Alena - Making such a wonderful start to year 2 at Gainsborough Primary School.
Year 3	Aalyiah - For consistently being a role model for peers, in and out of class time. You are always supportive and helpful of others around the school and it is great to see!
Year 4 - O	Irem - For trying her best in maths. Well done!
Year 4—H	Armani - Being helpful around the class and being a positive role model.
Year 5 - S	Chelsie - For trying really hard in your writing lessons. You were able to write an excellent narrative which included some really intelligent writing features.
Year 5 - E	Arifa - Using fugitive writing in her English work. Well done!
Year 6 - H	Tracy - For writing an amazing descriptive piece. You have included vivid sensory details , that painted a picture and appeals to all of the reader's senses.
Year 6 - N	Amira, Emmanuel, Harvey, Marcel, Tushane - For writing an amazing descriptive piece. You have included vivid sensory details , that painted a picture and appeals to all of the reader's senses.
