

## Burn — Ellie Goulding On Voice Choir

We, we don't have to worry bout nothing  
'Cause we got the fire, and we're about to start something  
They, they gonna see us from outer space, outer space  
Light it up, like we're the stars of the human race, human race  
When the lights turned down, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky

**'Cause we got the fire, fire, fire, yeah we got the fire fire fire**  
**And we're gonna let it burn burn burn burn**  
**We're gonna let it burn burn burn burn**  
**We're gonna let it burn burn burn burn**  
**We're gonna let it burn burn burn burn**  
We can light it up up up  
So they can put it out out out  
We can light it up up up  
So they can put it out out out  
Cause we got the fire  
**We can light it up up up**  
**So they can put it out out out**  
**We can light it up up up**  
**So they can put it out out out**  
**And we're gonna let it burn**

## **Don't Give up on Me**

**I will fight  
I will fight for you  
I always do until my heart  
Is black and blue  
And I will stay  
I will stay with you  
We'll make it to the other side  
Like lovers do  
I'll reach my hands out in the dark  
And wait for yours to interlock  
I'll wait for you  
I'll wait for you  
'Cause I'm not givin' up  
I'm not givin' up, givin' up  
No, not yet  
Even when I'm down to my last breath  
Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up  
No, not me  
Even when nobody else believes  
I'm not goin' down that easily  
So don't give up on me  
And I will hold  
I'll hold onto you  
No matter what this world'll throw  
won't shake me loose  
I'll reach my hands out in the dark  
And wait for yours to interlock  
I'll wait for you  
I'll wait for you  
'Cause I'm not givin' up  
I'm not givin' up, givin' up  
No, not yet  
Even when I'm down to my last breath  
Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up  
No, not me**

**Even when nobody else believes  
I'm not goin' down that easily  
So don't give up on me  
Whoa, whoa  
Whoa, whoa  
Yeah, yeah, yeah,  
Oh yeah yeah, yeah,**

**I will fight for you  
I always do until my heart  
Is black and blue**

## **Help A Child Belong**

One single Voice cries out in the night  
Longing for a family, a future that looks bright  
Given the chance who wouldn't want the same?  
A need to fit in. somewhere, a place that you can claim.

But sometimes its better not to dream,  
Sometimes your on your own  
Everyone needs a chance to dream  
Everyone needs a home

**To be heard is all we're asking  
With one single voice  
Take a chance on someone  
With one simple choice  
Cos everyone has dreams  
Every heart a song  
Make a difference & help a child belong**

Think of how you'd feel if a sudden change in life  
Caused the people that you love to not be by your side  
I know it may be hard but imagine if you can  
Thousands of children out there, who need a helping hand

But sometimes its better not to dream,  
Sometimes your on your own  
Everyone needs a chance to dream  
Everyone needs a home

**To be heard is all we're asking  
With one single voice  
Take a chance on someone  
With one simple choice  
Cos everyone has dreams  
Every heart a song  
Make a difference & help a child belong**

**Aah Aah Aah**

**Aah Aah**

Be the change in a child's life  
Give support give time  
Nothing can beat watching a child shine.....

**To be heard is all we're asking  
With one single voice  
Take a chance on someone  
With one simple choice  
Cos everyone has dreams  
Every heart a song  
Make a difference & help a child belong**

## **Make Your Own Kind of Music – Paloma faith**

Nobody can tell you  
There's only one song worth singing  
They may try and sell you  
'Cause it hangs them up  
To see someone like you  
But you gotta

**Make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along**

You're gonna be nowhere  
The loneliest kind of lonely  
It may be rough going  
Just to do your thing is the hardest thing to do  
But you gotta

**Make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along**

So if you cannot take my hand  
And if you must be going, I will understand  
'Cause You gotta

**Make your own kind of music  
Sing your own special song  
Make your own kind of music  
Even if nobody else sings along**

Oh you gotta

**Make your own kind of music  
Sing your own special song

## Nothing's Gonna Stop Us Now - Starship

Looking in your eyes I see a paradise  
This world that I've found is too good to be true  
Standing here beside you, want so much to give you  
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that  
Put your hand in my hand baby don't ever look back  
Let the world around us just fall apart  
Baby we can make it if we're heart to heart

**And we can build this dream together  
Standing strong forever  
Nothings gonna stop us now  
And if this world runs out of mothers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us now**

I'm so glad I found you, I'm not gonna lose you  
Whatever it takes I will stay here with you  
Take it to the good times, see it through the bad times  
Whatever it takes here's what I'm gonna do

Let 'em say we're crazy, what do they know  
Put your arms around me baby don't ever let go  
Let the world around us just fall apart  
Baby we can make it if we're heart to heart

**And we can build this dream together  
Standing strong forever  
Nothing's gonna stop us now  
And if this world runs out of mothers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us  
Oh, all that I need is you  
All that I ever need  
And all that I want to do  
Is hold you forever, and ever and ever**

*Instrumental*

**And we can build this dream together  
Standing strong forever  
Nothings gonna stop us now  
And if this world runs out of Mothers  
We'll still have each other  
Nothing's gonna stop us now**

**And we can build this dream together  
Standing strong forever  
Nothings gonna stop us now  
And if this world runs out of Mothers  
We'll still have each other  
Nothing's gonna stop us now**

**And we can build this dream together  
Standing strong forever  
Nothings gonna stop us now  
And if this world runs out of Mothers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us now**

## **So Am I – Ava Max**

Do you ever feel like a misfit?  
Everything inside you is dark and twisted  
Oh, but it's okay to be different  
'Cause baby, so am I  
**(So am I, so am I, so am I-I-I-I-I)**

Can you hear the whispers all across the room?  
You feel her eyes all over you like cheap perfume

You're beautiful, but misunderstood  
So why you tryna be just like the neighborhood?

I can see it, I know what you're feelin'  
So let me tell you 'bout my little secret

I'm a little crazy underneath this  
Underneath this

**Do you ever feel like a misfit?  
Everything inside you is dark and twisted  
Oh, but it's okay to be different  
'Cause baby, so am I  
(So am I, so am I, so am I)**

So let me tell you 'bout my little secret  
I'm a little crazy underneath this  
Underneath this, ooh

Born champion, Luda

The C is for the courage I possess through the drama

H is for the hurt but it's all for the honor

A is for my attitude working through the patience

Money comes and goes so the M is for motivation

Gotta stay consistent, the P is to persevere

The I is for integrity, innovative career

The O is optimistic, open and never shut

And the N is necessary 'cause I'm never giving up

See they ask me how I did it, I just did it from the heart

Crushing the competition, been doing it from the start

They say that every champion is all about his principles

## **Try Everything - Shakira**

I messed up tonight  
I lost another fight  
I still mess up but I'll just start again  
I keep falling down  
I keep on hitting the ground  
I always get up now to see what's next  
Birds don't just fly  
They fall down and get up  
Nobody learns without getting it wrong  
**I won't give up, no I won't give in  
Till I reach the end  
And then I'll start again  
No I won't leave  
I wanna try everything  
I wanna try even though I could fail  
I won't give up, no I won't give in  
Till I reach the end  
And then I'll start again  
No I won't leave  
I wanna try everything  
I wanna try even though I could fail  
Oh oh try everything  
Look how far you've come  
You filled your heart with love  
Baby you've done enough that cut your breath  
Don't beat yourself up  
Don't need to run so fast  
Sometimes we come last but we did our best  
**I won't give up, no I won't give in  
Till I reach the end And then I'll start again  
No I won't leave I wanna try everything  
I wanna try even though I could fail  
I won't give up, no I won't give in  
Till I reach the end And then I'll start again  
No I won't leave I wanna try everything  
I wanna try even though I could fail  
I'll keep on making those new mistakes  
I'll keep on making them every day  
Those new mistakes**  
**Oh Oh Oh Oh Oh , try everything Oh Oh Oh Oh Oh , try everything  
Oh Oh Oh Oh Oh , try everything Oh Oh Oh Oh Oh , try everything

All smiles, I know what it takes to fool this town  
I'll do it 'til the sun goes down and all through the night time

Oh yeah,

It's never the right time, yeah,

Unstoppable today, I'm unstoppable today**

Break down, only alone I will cry out now  
You'll never see what's hiding out

But I'm too afraid now, yeah,

I put my armor on, show you how strong how I am  
I put my armor on, I'll show you that I am

## **Walk Me Home - Pink**

There's something in the way you roll your eyes  
Takes me back to a better time  
When I saw everything is good  
But now you're the only thing that's good  
Tryna stand up on my own two feet  
This conversation ain't comin' easily  
And darling, I know it's getting late  
So what do you say we leave this place?

**Walk me home in the dead of night  
I can't be alone with all that's on my mind  
So say you'll stay with me tonight  
'Cause there is so much wrong going on outside**

There's something in the way I wanna cry  
That makes me think we'll make it out alive  
So come on and show me how we're good  
I think that we could do some good,

**Walk me home in the dead of night  
I can't be alone with all that's on my mind,  
So say you'll stay with me tonight  
'Cause there is so much wrong going on outside  
Ooh-oooh oo oo oo,  
Ooh-oooh ooh, ooh-oooh oo oo  
Walk me home in the dead of night  
'Cause I can't be alone with all that's on my mind  
Say you'll stay with me tonight  
'Cause there is so much wrong going on**

**Walk me home in the dead of night  
I can't be alone with all that's on my mind  
So say you'll stay with me tonight  
'Cause there is so much wrong  
There is so much wrong  
There is so much wrong going on outside**
