

# Gainsborough Primary School Home Learning Pack

Year 5 Class Eagles

We hope that you and your family are well. In these difficult times we have pulled together a range of resources to support learning and a suggested outline of your day. We hope this will keep you and your family learning.

Please use the book provided to record all learning. This will help you and the children note what they have done. Please hand this in when we return to school. You will receive a reward from school for the work completed.
