

Gainsborough Primary School Primary School's Sports Funding

What is the Sports Premium?

The Department for Education (DfE) are spending over £450 million on improving physical education (PE) and sport in primary schools. The funding will be allocated directly to primary school's to spend on improving the quality of sport and PE for all pupils.

Our school allocation

Our school is expecting to be awarded **£18,970** for the academic year 2019-20, and we plan on using the funding as outlined below:

| 19-20 | Funding allocated | Impact |
|---|-------------------|--|
| Nursery and Reception weekly PE for 2 hours to develop gross motor skills and learning in PE | £3500 | Children make good progress in gross and fine motor skills. They are engaged in PE from 3 years old and build resilience, teamwork, ball skills and determination. They are able to transfer these skills to equipment in the playground and have a love for sport and PE. |
| To introduce children to a range of new sports through high quality PE | £1200 | The Federation wide PA Games allows children to take part in 6 sports across the year. Children are coached and trained specifically for the games and develop skills, teamwork and resilience in sports and with team mates they otherwise may not have done. |
| To run cross school competitions to increase active participation in competitions. | £3000 | Staff are released to plan, coordinate and run competitions across the PA Federation. Staff build skills in organisation and structures of league systems, refereeing and coaching. Best use is made of the school facilities and children take part in competitive leagues. Children build skills in determination, resilience and team work. Children make friendships across the borough and play in teams and in sport they may have otherwise not have had the opportunity to do. |
| To achieve healthy schools status | £3000 | Keep healthy campaigns are well planned and lead across the school in various year groups. Children look at sugar, sun safety, growing vegetables, |
| Free swimming for year 6 pupils at the Olympic Pool within a two week block | £3400 | Year 6 pupils have experience of swimming in public pools and learn to swim. Some take this up after school sessions and many overcome a fear of getting into water. |
| Free after school clubs for up to 20 children per half term to ensure access to sports after school clubs | £2000 | After school sports clubs enable children to learn skills and keep fit. Free clubs enable those who may not be able to attend to experience new sports and develop a healthy lifestyle. |
| Hire of the Copper Box Olympic venue for Sports Day to promote engagement in Olympic legacy. Key stage sports days to celebrate sports and personal best improvements | £1750 | Due to COVID 19 the Copper Box hire did not happen however we have used our coaches to plan and carry out a 6 week personal best programme whereby children track and monitor individual improvements in core skills. Children develop skills in |

| | | resilience, become fitter and healthier and learn to track their own improvements. A medal ceremony celebrated the best personal achievements. |
| To establish lunch time sports leaders to lead activities for younger children. To ensure high quality equipment and experiences within this. | £2400 | Sports Leaders receive training and train children to: play games following rules and instructions, look after resources, share skills and talents, promote good team leadership. |
