

Gainsborough Primary School Primary School's Sports Funding 2020-2021 - REVIEWED

What is the Sports Premium? The Department for Education (DfE) are spending over £450 million on improving physical education (PE) and sport in primary schools. The funding will be allocated directly to primary school's to spend on improving the quality of sport and PE for all pupils.

Our school allocation Our school was expecting to be awarded **£18,810** for the academic year 2020-21, we were in fact awarded £18,240. See below for the breakdown of our spending and its impact.

20-21	Funding allocated	Impact
Nursery and Reception weekly PE for 2 hours to develop gross motor skills and learning in PE	£5000	Children make good progress in gross and fine motor skills. They are engaged in PE from 3 years old and build resilience, teamwork, ball skills and determination. They are able to transfer these skills to equipment in the playground and have a love for sport and PE.
To become a member and gain accreditation from the Youth Sports Trust	£800	Sports coach uses this to access resources and CPD to improve the delivery of PE lessons throughout the school.
To run cross school competitions to increase active participation in competitions.	£3000	Staff are released to plan, coordinate and run competitions across the PA Federation. Staff build skills in organisation and structures of league systems, refereeing and coaching. Best use is made of the school facilities and children take part in competitive leagues. Children build skills in determination, resilience and team work. Children make friendships across the borough and play in teams and in sport they may have otherwise not have had the opportunity to do.
To achieve healthy schools status	£3000	Keep healthy campaigns are well planned and lead across the school in various year groups. Children look at sugar, sun safety, growing vegetables,
Free after school clubs for up to 20 children per half term to ensure access to sports after school clubs	£2000	After school sports clubs enable children to learn skills and keep fit. Free clubs enable those who may not be able to attend to experience new sports and develop a healthy lifestyle.
To establish lunch time sports leaders to lead activities for younger children. To ensure high quality equipment and experiences within this.	£2400	Sports Leaders receive training and train children to: play games following rules and instructions, look after resources, share skills and talents, promote good team leadership.
To run personal best sports competitions throughout the year to ensure high quality fitness and personal target setting.	£1000	Dedicated sports coaches have been brought in to run personal best events throughout the year. Children are encouraged to participate to their highest ability and to continually push themselves; striving for personal bests at each event.
To inspire and promote competitive sports through competitive competitions. To buy school kits to support this.	£2000	Due to the COVID restrictions that have been in place during this period, children have been unable to compete against other schools. As a result, competitive sports have been based in house in order to ensure that children throughout the school are prepared for external competitions when restrictions allow for such measures.
Total spending	£19,200
