Newman Francis Consultation

Kamahl is a Project Worker at Newman Francis. Newman Francis are being employed by Notting Hill Genesis Housing Association to carry out a community consultation at Hackney Wick and would like to involve staff/parents. This consultation will be based on the new buildings that will be coming into the Hackney Wick area adjacent to the overground station and what it can do for the community.

This will also be a good opportunity to hear what local parents/staff would want to see added to their community.

To find out more about this, we will be running a couple of workshops. Please see the dates and times below:

18th September – Hub 67 – 1 – 5pm

22nd September – Trowbridge Senior Citizens Club – 3 – 7pm

It would be great if you could pass the word on to any staff or parents who are in the area that you think will be affected by the new buildings coming into the area.

Our WAMHS worker, Liz Malpass, will be holding a coffee morning in the family room at 9:15am on the 23rd September (next Thursday). This will be an informal and non-judgemental session about understanding and supporting children's well-being and behaviour. Come along for a chat, mutual support and advice!
