Dear parents / carers,

Welcome Back!

We hope you had a wonderful summer and were able to enjoy time with family. The children have been very focused and keen to do well in their new classes following the return to school this week; we have been really impressed with how ready for learning they are!

Building Works

You will have seen that significant works have taken place over the holiday to improve the Children's Centre. I will be sharing pictures of the inside of the completed building with you next week so you can see how brilliant the new space is. We can't wait to see the children enjoying their improved building!

Covid

There are some changes in schools this term due to the relaxing of government guidelines for covid. One is that we are now able to have assemblies together in the hall. Children from Y1 – Y6 have assemblies in two sittings so that classes can be distanced from each other. After such a long time without assemblies, it was lovely to see the children sharing ideas with other classes during assemblies yesterday. School trips will also be able to restart this year - this is very exciting and we look forward to the children having a wider variety of experiences linked to their learning.
