

Gainsborough Bridge

The Gainsborough Bridge and community garden are opening to the public on 25th October 2021. There will be an open day event from 11am-2pm in the garden area, which will be open to local residents for a fun day out and to get involved in gardening activities. After half term, the school entrance next to the bridge will be open for pupil drop off and collection each day!

Attendance

The government has announced that school attendance is a national priority. Having missed so much school as a result of coronavirus, it is really important that children are at school every day unless they are too unwell to attend. Please continue to support your child's daily attendance as good attendance supports great progress in learning, confidence and self-esteem.

October Half Term

School breaks up for October half term on Friday 22nd October 2021 at 3.30pm.

All after school clubs will run as normal.

School re-opens on Monday 1st Nov at 8.45am for soft start.

Trips

We are really pleased that trips and visits have been able to restart this term but need your help to support the cost of trips as school funding will not cover this!

The £10 trip contribution has been added to your Parent Pay account. Please ensure you log on and make the payment by Friday 22nd October .

If you are having trouble accessing your Parent Pay account please come or call the school office.
