

Thank You

We would like to say an enormous thank you and good luck to the following staff members, who will be leaving us at half term:

Miss Oriola has decided that she would like to return to whole class teaching and will be leaving to have her own class in another school.

Miss Robb has landed her dream job, linked to her degree, and will be leaving us to join the probation service.

Miss Dagmara will not be returning from her maternity leave as she is moving out of London.

Want to Teach?

Primary Advantage are looking for candidates to train to teach from September 2022 on School Direct Tuition (PGCE). Training is in partnership with the Institute of Education – UCL, a global leader, whose teacher training is recognised by Ofsted as outstanding in every area.

With Primary Advantage, your placements will take place in our Hackney schools and you will know where you will be placed so you can get to know the school before starting in September.

Our schools are wonderfully diverse places and we encourage applications from all, particularly from our local community.

To start training in September, you will need GCSEs in English, Maths and Science, and a Degree 2:2 or above.

We welcome enquiries. If you would like to find out more you can:

- Call or email for more information: 020 7254 1010 (option 5) or palearning@primaryadvantage.hackney.sch.uk
- Arrange a visit to a school, or a period of school experience
- Attend one of our small friendly 'train to teach' information sessions – in person or online
- See more about our teacher training programmes, entry criteria and application process here: <https://primaryadvantage.co.uk/train-to-teach/school-direct-post-graduate-teaching-apprenticeships/school-direct-primary-tuition-fee/>

Applications should be made as soon as possible as places are allocated on an ongoing basis. Applications are via the DFE becoming a teacher portal.

Getting Creative in the Early Years
