

Year 3 Local Area Field Trip

Year 3 went on a walk through our local area to collect information about our local area's Geographical features. They collected information and recorded what they observed on maps.

HACKNEY WICK TOWN HALL

A Town Hall is a meeting, not a building. It's a chance for us to talk about what matters in Hackney Wick. It's not run by any party or business, but by and for local people.

Have thoughts about the changing area? Want to know what's going on this Summer? Thinking about road safety? Looking for opportunities for young people? Bring it to the Town Hall and chat it out.!

Join us to connect with Hackney Wick people, old and new, have a natter about what matters to you and share a bite to eat with your neighbours.

Bikes and Scooters in the Playground

Please can family members dismount from bikes in the playground. We have a duty to keep everyone safe and cycling in the playground can cause risk to others. ALL parents and children must follow this advice.

Homework

If you have any queries about homework please speak to your child's class teacher. They can explain or model an example if that helps. We will run some parent workshops as the year goes on to support with homework.
