

## What's been happening in Class this week?

### Hatchlings

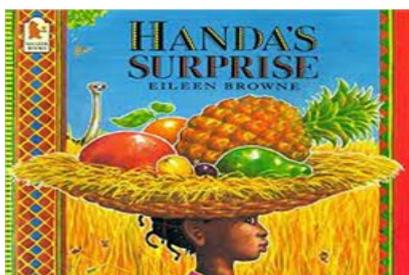

The Hatchlings were able to be at one with nature this week as they explored autumn themed nature baskets and coloured in leaf pictures for our autumn display. They had the chance to observe and feel fluffy feathers, crunchy leaves and conkers.

The Hatchlings also met Thunder and Lightning the rabbits. They had lots of fun stroking and playing with their furry friends. They learnt about being gentle with animals and found out what rabbits like to eat.

### Ducklings

This week the Ducklings have enjoyed our new story Handa's Surprise. There were lots of discussions around the different fruits in the story and some of the children were even able to remember some of the cheeky animals took the fruits from Handa's basket! We did a lovely activity where the children got to fill their own baskets with all their favourite fruits. They used fine motor skills to glue and place the fruits in the basket. Chenai said "My favourite fruit is Orange!"

The children have also loved exploring Sensory play with crunchy corn flakes in a variety of ways. Some chose to scoop and pour, some chose to crunch with the mini wooden logs and some chose to stop and stamp around with the Dinosaurs and Farm animals. Chiara also explained, "it looks like sand now".

## Stay & Play

We have lots of new and exciting things happening at the Children's Centre over the summer term. Take a look at our new timetable. You can also find this on our website too!

## GOLD AWARDS

Each week one child from is recognised for their outstanding achievements!

**Ducklings**

This weeks Gold Award goes to Naia. Naia has shown lots of confidence this week and has begun to explore with other children outside of her usual friendship group. She is a great role model and wonderful friend to all! Well done Naia
