

## What's been happening in Class this week?

### Hatchlings

This week the Hatchlings have been learning about our topic, "Me and my world". They have been able to explore experiences that they might encounter in their day to day life. The Hatchlings enjoyed making marks in sand with different vehicles, catching fish and using a range of cooking tools during messy play.

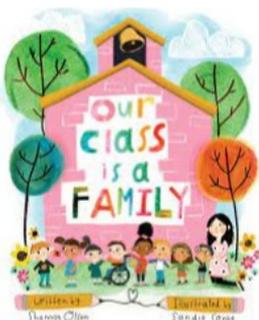

A special mention goes to Ozzy who took his first few steps at nursery this week. Well done!

### Ducklings

This week we have welcomed our Ducklings back after a long summer break. We would also like to send a warm welcome to the new additions that have joined us this week! You have settled in so well and we are super proud of you all! The children have loved exploring the environment and getting familiar with their new surroundings and friends.

Our topic this half term is "Me and My World". This unit will encourage the children to explore colour, numbers, foods and interact with the world around them through their senses. They will look at foods, feel textures and build mental images of what they are experiencing. There will be a wide range of sensory exploratory activities and experiences for them to enjoy. To start the term this week we have been reading "Our class is a Family".

## Stay & Play

We have lots of new and exciting things happening at the Children's Centre over the summer term. Take a look at our new timetable. You can also find this on our website too!

## GOLD AWARDS

Each week one child from is recognised for their outstanding achievements!

### Ducklings

Gold for this week is Gianni. He started this week and has settled in so well. He has shown so much compassion and kindness to all of the children and is already a wonderful friend and role model. Well done Gianni!
