

What's been happening in Class this week?

Hatchlings

This week the Hatchlings have dressed up for Halloween and played in our spooky sensory tray. They have used their senses to explore a range of stimulating Halloween materials such as pumpkins, cinnamon scented edible slime and dried citrus fruits.

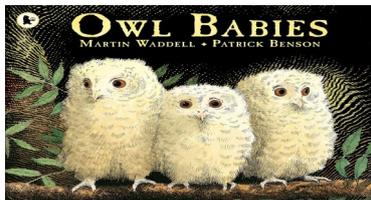

The Hatchlings have also been creating their own fireworks pictures for bonfire night. The children placed glued card into glitter filled bags and shook them up to create beautiful firework inspired shapes on the page.

Ducklings

This week we started reading our new focus story 'Owl Babies'. The Children have loved joining in with carpet sessions where we have been using the puppets and making Owl noises. They have also taken the Owls into their play environment and had some wonderful conversations around where the Owls live and what they might like to eat. Wiggly worms was a top suggestion from most of the Children.

We have also been preparing for Bonfire night by making fireworks and bonfires. The Children loved using the 2D shapes to create rockets that blast off into the night sky and also working together to fill the bonfire with shredded paper ready to toast marshmallows and enjoy the beautiful display that we have planned this evening.

We hope to see you all there!

Stay & Play

We have lots of new and exciting things happening at the Children's Centre over the Autumn term. Take a look at our new timetable. You can also find this on our website too!
