

Gainsborough Pre School and Children's Centre Newsletter

Spring 1, Week 5

What's been happening in Class this week?

Hatchlings

This week the Hatchlings have continued to learn about all things transport. They squished, scooped and mixed their way through transport sensory soup and rode around the playground using different modes of transport.

Ducklings

This week the children loved learning about transport that fly's such as planes, helicopters and spaceships. They joined in singing songs, pretending to be planes flying around the outside area and even went on a trip to space in our magic spaceship that they had decorated!

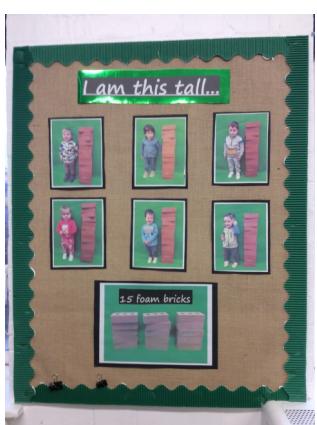

Family Friday Sessions

Family Friday sessions are a great way for the children to be able to share their nursery experiences with their parents and carers and is a great opportunity for them to show off how amazing they are. We have loved seeing so many of you this half term and look forward to having you all back when the sessions continue after the half term!

Maths in Ducklings class

The children loved this activity where they built a tower until it was as big as them. Didac was able to notice that some of his friends needed more bricks and some of them needed the same amount because they were the same size.

Stay & Play

We have lots of new and exciting things happening at the Children's Centre over the Autumn term.

Take a look at our new timetable. You can also find this on our website too!
