

### What's been happening in Class this week?

#### Hatchlings

The Hatchlings have been exploring lots of spring related activities this week. They discovered sour tastes and smells at the Hatchlings lemonade stand. Here they were able to squeeze their own lemon juice into jugs and then pour it into their cups

The Hatchlings also enjoyed feeding baby animals at the Hatchlings tough tray farm. The animals were surrounded by edible, grass, mud and hay bales.

#### Ducklings

This week the Ducklings have been showing off how amazing they are at transitioning from one place to another. All the adults were really impressed how these children got into their 'CHOO, CHOO' train and managed to walk sensibly back into the classroom after snack time!

#### Busy Builders

River and Maurice loved exploring the texture of the wet sand and got very creative using it as cement to stick the foam bricks together. River said, "I'm building a house for Mummy and Daddy".

#### Family Friday Sessions

Family Friday sessions are a great way for the children to be able to share their nursery experiences with their parents and carers and is a great opportunity for them to show off how amazing they are.

#### Our final family Friday session for spring 2:

**24.03.2023**

**Between 8:45-9:15**

## GOLD AWARDS

Each week one child from is recognised for their outstanding achievements!

### Ducklings

The gold awards this week goes to Maia. She is a kind and helpful member of the class and a real role model to all! Well done Maia.
