

What's been happening in Class this week?

Hatchlings

This week the children continued to learn about all things spring. The children created their own woolly lambs and discovered a range of other baby animals in the Hatchlings tough tray farm. The children were able to use language to describe textures and they enjoyed imitating the sounds that the animals make.

Ducklings

After showing off how amazing transitions have been in Duckling class, this week we thought we would share our carpet time! The children love hearing the bell and rushing to the carpet to join in with songs and dancing. Here you can see just a few of the Duckling's and how engrossed they are joining in with the wheels on the bus, showing us how the wipers on the bus go 'swish, swish, swish'.

Green fingers

This week the children got really into all things gardening. We have been talking lots about the different things that we can plant and grow in the spring, which lead beautifully into this planting and potting tuff tray that we set up for them to explore. They really enjoyed using the gardening tools to transfer soil and bark into the different sized plant pots.

Family Friday Sessions

Family Friday sessions are a great way for the children to be able to share their nursery experiences with their parents and carers and is a great opportunity for them to show off how amazing they are.

Our final family Friday session for spring 2 is this

Friday:

24.03.2023

Between 8:45-9:15
