

What's been happening in Class this week?

Hatchlings

This week the children have loved playing at the Hatchlings campsite. As part of the topic of construction, the Hatchlings used different tools to tap, cut and bang blocks together to place around the fire

The children also played hide and seek in the tent and had lots of fun using tape to build a nest out of natural resources.

Ducklings

This week the children loved learning about transport that fly's such as planes, helicopters and spaceships. They joined in singing songs, pretending to be planes flying around the outside area and even went on a trip to space in our magic spaceship that they had decorated!

Family Friday Sessions

Family Friday sessions are a great way for the children to be able to share their nursery experiences with their parents and carers and it is a great opportunity for them to show off how amazing they are.

We would love for you to come and join us!

Our final Family Friday session of this half term will be held on Friday 03.02.2023 from 8:45-9:15

Maths in Ducklings class

The children loved this activity where they built a tower until it was as big as them. Didac was able to notice that some of his friends needed more bricks and some of them needed the same amount because they were the same size.

Stay & Play

We have lots of new and exciting things happening at the Children's Centre over the Autumn term. Take a look at our new timetable. You can also find this on our website too!
