

### What's been happening in Class this week?

#### Hatchlings

The hatchlings have been exploring the difference between vehicles that are used on land and in water. They dug, rummaged and squished their way through a land and sea tough tray made out of edible sand and jelly bath.

#### Ducklings

This week the children have been enjoying their final week learning about transport. They have been building train tracks, observing what happens when you fill boats with water and even went on a magical train ride in our junk model train carriages.

#### Family Friday Sessions

Family Friday sessions are a great way for the children to be able to share their nursery experiences with their parents and carers and is a great opportunity for them to show off how amazing they are.

#### Our family Friday dates for spring 2:

24.02.2023

10.03.2023

24.03.2023

Between 8:45-9:15

#### Welcome to Ducklings class

We would also like to wish a warm welcome to all of our new starters this week. You have settled in so well and are already becoming familiar with the environment and new routines in our class. Well done we are so proud of you all!
