Parent and Parental Responsibility:

There are many rules and regulations that give rights to “Parents”. Under the Education Act 1996, for the purposes of education, a “parent” in relation to a child or young person includes someone who is not a parent, but has parental responsibility for the child or has care of the child. A person who has parental responsibility for a child is defined by the Children Act 1989. This will always include the natural mother and both parents if they are or have been married.

If your child is subject to a court order affecting parental responsibility of your child, you **must** attach evidence of the order to the admission form.

It is your responsibility to inform us immediately of any changes to the person with parental responsibility and provide any information or supporting material we reasonably require. You accept that we are not responsible for any inconvenience or loss of money if we have acted in accordance with the information provided to us.

Payment Information

All fees must be paid via the schools Parent Pay (online) payment system unless agreement is made with the school to pay fees using approved Tax Free childcare services.

2. We reserve the right to change hours, fees, terms and conditions without notice to you to facilitate the safe and effective running of the nursery. However, whenever possible advanced notification would be provided.
 3. You understand and accept that attendance at the Preschool does not guarantee your child admission to the school classes from Reception through to Year 6. It does give priority for the School Nursery.
 4. Changes: You are required to inform us immediately if any of the information on the Admissions form changes or you become aware it is incorrect or incomplete, this also includes telephone numbers.
 5. You must provide Gainsborough Preschool with prior written notification of any changes to the days specified in the table on Page 1. If notice relates to the reduction in sessions, one month’s written notice is required. Fees are payable even if your child does not attend the nursery during this period.
 6. Information:
 The Preschool collects personal information on this Admission Form for the purpose of providing your child with the necessary care whilst your child is in the Preschool, safeguarding children attending the Preschool. For reporting and statistical monitoring processed both at a local and national level and if your child is identified as a child in need, has a Special Education Need or in our reasonable opinion involves child protection concerns. Your child and your personal information on this form (and accompanying documents) will only be used for the purpose in which it is provided. Unless otherwise advised your child and your personal information will not be disclosed to any other third parties without your consent unless, where authorised, required by law or to discharge obligation for the purposes specified above. In this document you give us permission to disclose information to the appropriate agency if the child has been identified as a child in need or has a Special Educational Need with regards to the Children Act 1989, Education Act 1996 and the Special Needs and Disability Act 2001.

Collection of Children:

Children must be brought and collected by a responsible person no younger than 16 years of age. Two emergency contact numbers are required upon admission to the Preschool. These numbers will be checked at regular intervals. Parents/carers must inform the Preschool in advance if there are any changes to the names of the authorised collecting individuals. We acknowledge that this may not always be possible and would request that you contact the main school office as soon as possible with the name of the collecting individual. The Preschool will provide you with a security password to be exchanged with staff upon arrival for collection of the child. Where a child is subject to a court order evidence of this will need to be provided as part of the admissions procedure.

Names of persons with permission to collect you child and to be contact in cases of emergency:

(See attached sheet – Appendix 1)

Absence:

You must notify the Preschool (via the Children's Centre office number) by 9.00am if your child is unable to attend and let us know the reason for the absence. Failure to do so may result in your child's place being withdrawn and fees applied still.

You will be contacted by staff in the Preschool should your child become unwell with the expectation that the child is collected by an authorised person as soon as possible (within half an hour) in order to minimise any distress to the child. We will ensure that the child is made comfortable until an authorised adult arrives.

A child will be refused entry to the Preschool if they are suffering from;

- i. An infectious or contagious disease (details must be provided) or
- ii. Any child from a household where there is a case of infectious diseases

Re-admission will be in line with statutory guidelines available in the parent's handbook.

Lateness and non-collection of children:

We expect all children to be at the setting at their agreed start, unless the Preschool has received prior notification of the proposed lateness (i.e. doctors' appointment). Preschool (Under 2's Provision) sessions close for children at 6.00pm each day.

A late charge of £5.00 for every 5 minutes is applied after this time. Persistent late collection of 3 intervals over a week within a month may result in the withdrawal of your child's place.

A verbal warning will be given in the first instance, followed by a written warning. A final written notification will be issued notifying you of the withdrawal of the childcare place. Any waiver of the withdrawal will be at the Headteacher's discretion. Any such waiver does not operate as a waiver of another breach by you. If you anticipate that you will be late to collect your child and you have exhausted all avenues to arrange an alternate person to collect your child, you should discuss the difficulty with a member of admin staff immediately (via the Children's Centre office). Please note this would be rare and for exceptional circumstances only. We are under a duty of care to safeguard your child and if your child is not collected on time and we have exhausted all emergency contacts then the Social Services Duty Team will be contacted.
